

[Walker and Associates Consulting](#) has been hired by [Marin Health and Human Services](#) to help recruit for 3 positions in their [Behavioral Health and Recovery Services](#) (BHRS) division:

- Mental Health Unit Supervisor: [Access Team](#)
- Mental Health Unit Supervisor: [Helping Older People Excel \(HOPE\) Program](#)
- Mental Health Unit Supervisor: [Residential Services](#)

The County is specifically looking for a diverse pool of highly qualified, innovative and savvy professionals. Successful candidates must possess:

- A Master's of Social Work (MSW) degree from an accredited college **OR** a Master's degree from an accredited school in psychiatric nursing, psychology counseling, social work or a closely related field **OR** a doctorate in psychology
- Licensure as a Clinical Social Worker (LCSW); Marriage, Family and Child Counselor (MFCC); Registered Nurse (RN); Clinical Psychologist or Professional Clinical Counselor (LPCC) **OR** completion of three years of graduate education in clinical psychology including completion of the doctoral qualifying (comprehensive) examinations **AND** completion of a university approved internship in clinical psychology that would be equal to two full-time academic quarters (900 hours).
  - The internship must be in addition to practicum work associated with specific academic courses or dissertation research.
  - Qualified non-California residents must obtain the professional license within one year of employment.
- Two years of clinical mental health experience in a mental health setting providing services to adults who have serious mental illness **AND** at least one year of experience in providing clinical supervision in a mental health setting
  - Graduate level course work in clinical supervision may be substituted for the clinical supervisory experience on a month-for-month basis

**Interested parties can contact Walker and Associates at [MarinBHRS@walkeraac.com](mailto:MarinBHRS@walkeraac.com) with any questions or to recommend potential candidates for personal outreach.** Applicants should indicate that you learned about this job from an "Other Source" and insert: Walker and Associates.

Thank you,

Jeannine Walker
